## TOWN WARRANT

---

### STATE OF NEW HAMPSHIRE

To the Inhabitants of the Town of Pembroke in the County of Merrimack in said State, qualified to vote in the Town Affairs:

You are hereby notified to meet at the Community House in said Pembroke on Tuesday, the fourteenth day of March, next, at nine o'clock in the forenoon, to act upon the following subjects:

1. To choose all necessary Town Officers for the year ensuing.

2. To hear and act upon the report of the Town budget committee.

3. To see if the Town will vote to adopt the provisions of the Municipal Budget Act.

4. To see what action the Town will take to meet the deficit incurred in the fiscal year 1938-1939 as the result of extraordinary expenses.

5. To see if the Town will authorize the Selectmen to borrow money in anticipation of taxes.

6. To see if the Town will vote to charge twenty (20) cents on and after September 1st, 1939 on all unpaid 1939 poll taxes.

7. To see if the Town will vote to raise and appropriate the sum of five hundred dollars (\$500.00) for the building of sidewalks in said Town the location thereof to be in the discretion of the Selectmen, provided that the Selectmen secure a Federal grant covering additional costs of construction; to see if the Town will authorize the Selectmen to make such contracts and execute such instruments as may be necessary for the purpose of obtaining the aforesaid Federal grant.

8. To see if the Town will vote to purchase a new fire truck with a suitable pump for the Pembroke Fire Department; to see if the Town in order to purchase the same will authorize the Selectmen to borrow on five serial notes a sum not to exceed five thousand dollars (\$5,000.00), said notes to be in the sum of one thousand dollars (\$1,000.00) each and payable in one, two, three, four and five years respectively from date of issuance, said notes to be payable exclusively from funds to be raised by taxation.

9. (By Petition) To see if the Town will vote to purchase of the Suncook Industries, Inc., the building known as the Counting Room together with the land on which said building is situated formerly owned by the Suncook Mills, said building to be purchased and used for a Town Library; to see if the Town in order to purchase the same will authorize the Selectmen to borrow on four serial notes of the Town a sum not to exceed four thousand dollars (\$4,000.00), said notes to be in the sum of one thousand dollars (\$1,000.00) each and payable in one, two, three and four years respectively from date of issuance and to be payable exclusively from funds to be raised from taxation.

10. (By Petition) To see if the Town will vote to raise and appropriate the sum of five hundred dollars (\$500.00) for the building of a new sewer on Glass Street from the corner of Chester Turnpike and Glass Streets to the dwelling of Mr. Ulric Desmarais.

11. (By Petition) a. To see if the Town will vote to accept and maintain a street leading easterly from High Street by land of Clovis Bouley and others to land of Gedeon Petit, known as Lindy Street.

b. To install and maintain a street light where best suited in the center of said Lindy Street.

12. (By Petition) To see if the Town will vote to accept and maintain a street leading northerly from

Union Street to Prospect Street known as Appleton Street.

13. (By Petition) To see if the Town will raise and appropriate the sum of two hundred dollars (\$200.00) for a series of band concerts.

14. To see if the Town will vote to confirm the action of its Selectmen in accepting the deed to the Town by George B. Lake of the right to use a certain tract of land described therein as a public bathing beach and recreation ground subject to the conditions contained in said deed.

15. To see if the Town will vote to confirm the action of its Trustees of Trust Funds in accepting the following named funds, in trust, the income to be used for the perpetual care of the cemetery lots indicated:

a. Gift of May A. Johnston of one hundred dollars (\$100.00), the income to be used for the care of the William N. Johnston Lot in the Evergreen Cemetery.

b. Gift of May A. Johnston and Benjamin F. Worcester of one hundred dollars (\$100.00), the income to be used for the care of the Rowell-Worcester Lot in the Buck Street Cemetery.

16. To hear the reports of auditors, agents and committees, or officers heretofore chosen, and pass any vote relating thereto.

17. To transact any other business that may legally come before said meeting.

Given under our hands and seal, this twenty-fifth day of February, in the year of our Lord nineteen hundred and thirty-nine.

CLARENCE A. FOWLER  
JOSEPH A. CREVIER  
OSBORNE A. SIMMONS

Selectmen of Pembroke.

## BUDGET OF THE TOWN OF

FERDINAND BOUCHARD,

*Chief of Police.*

## REPORT OF PEMBROKE FIRE DEPARTMENT

In accordance with the laws of the State of New Hampshire, I hereby present the report of the Fire Department for the year 1938.

The white pumping engine now in service in the Pembroke Fire Department was purchased in 1925 at the price of \$7,100.00, and has become obsolete. Its capacity is limited to 350 gallons a minute, its engine governed to 35 miles an hour and its chassis is greatly overloaded. There is no automatic relief valve on the pump (only a hand-operated valve was furnished), the rear end has failed, the universal joints are badly worn and the battery box, running boards and wiring are in very bad shape. On account of overloading the springs have had to be set up. In addition to the fact of obsolescence is the fact that warrants the purchase of a modern pumping engine, the White people ceased to build fire apparatus several years ago.

Pembroke is too large a town to cover with a machine of this condition and type. A call to Pembroke Street or Buck Street leaves the village without protection. Two inefficient machines have been purchased in twenty years and it is time that the community purchase apparatus for quality rather than for price.

Recommendations by the Insurance Commissioner and the ranking officers of the Concord and Manchester fire departments, who know the set-up of Pembroke, are that we should have a 500-gallon pumping engine purchased from one of the three leading builders of fire apparatus.

Having been faced with the competition of cheaply built fire apparatus assembled on commercial chassis, these leading builders are now turning out assembled machines, but their parts are bought from reputable and reliable manufacturers and have proven satisfactory under grind of experience.

With the indifference of the water board to remedy conditions on Pembroke Street the foregoing makes good and sufficient reasons why we should have a suitable pumping engine. Residents of this town should realize that the situation is really serious and they should not be influenced by nondescript politicians whose utterances are not for the best interests of our town.

The cost of a modern, up-to-date pumping engine equipped will be approximately \$7,500. The fire station notes will be paid in 1939 and money can be borrowed for new equipment with notes coming due in 1940. This would not increase the burden of long term notes which come due every year.

The fire hazard seems on the increase due to the large amount of blown down timber; the installation of a large number of oil burners; grass fires and to the indifference of property owners to have chimneys cleaned.

Watch was maintained at the fire station during the interruption of power for the whistle caused by the wind storm. One other interruption of the fire alarm circuit was caused by some unknown person deliberately cutting the circuit open in box on Front Street. There were several calls for pumping out cellars during the flood period. Increase in number of fires is noted below.

	1935	1936	1937	1938
Number of fires	44	50	59	79
Fire Department Expense	\$3,501.05	\$3,742.20	\$3,999.82	\$3,875.64
Average cost per fire	79.57	74.85	67.79	49.06

### AUDITORS REPORT

We have examined the accounts of the Selectmen, Treasurer, Town Clerk, Tax Collector, Library Trustees, Trustees of Trust Funds, Custodians of Cemeteries, and Water Commission and find same correctly cast and properly vouched, and balances on hand, as recorded, in the bank in all cases.

We recommend that, in view of the increase in the duties of the Town Officer, and to enable them to keep more complete records, some steps be taken toward the installation of a simpler and more modern system of accounting.

CARL E. WESSEN,  
JOHN C. CUSHING,  
*Auditors.*

## REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board of Pembroke:

My fifth annual report deals chiefly with the staff of teachers, average costs per pupil, special activities, buildings and equipment.

### Staff of Teachers

The interest in professional improvement among your teachers is highly commendable. From the eleven teachers in your elementary schools six attended the 1938 Summer Session at Plymouth Normal School and one did post-graduate work at New Hampshire University. Your teacher of adult classes completed at Plymouth the special summer course in applied arts. During the school year several teachers attended the Harvard-Boston University extension courses given in Concord.

In September 1938 two changes occurred in the staff of elementary school teachers. Miss Florence B. Allen of Rochester, New Hampshire, was selected to succeed Miss Pauline Kolongis in the North Pembroke School. Miss Allen was graduated in 1938 from the three-year elementary course at Keene Normal School. Miss Bernice R. Adams, teacher of domestic science in the Suncook Grammar School, resigned in June. The position was filled by the selection of Miss Lois E. Steere of Durham, New Hampshire. Miss Steere was graduated in 1937 from the four-year home economics course at Keene. She has also done post-graduate work at New Hampshire University. Her experience was secured through practice teaching in the Concord High School and Pinkerton Academy.

### Average Costs Per Pupil

In comparison with the median cost per pupil in the elementary schools of the state, which for the year ending in June, 1938, was \$79.98, some of the following averages computed for the same fiscal year are significant.

	Pembroke Schools					
	Suncook Grammar	Pembroke Street	Pembroke Hill	Borough	North Pembroke	Buck Street
Total pupils enrolled	148	33	16	15	17	16
Average membership	130	29	11	13	16	15
Per pupil cost of administration and general expenses	\$ 9.40	\$ 9.40	\$ 9.40	\$ 9.40	\$ 9.40	\$ 9.40
Instruction	40.09	31.61	75.89	64.70	53.19	59.85
Teachers						
Text Books						
Supplies						
Maintenance of Plant	14.69	8.00	12.00	12.85	6.88	10.75
Janitor						
Fuel						
Supplies and Repairs						
Auxiliary Agencies	4.92	2.09*	2.09*	32.85	2.09*	2.09*
Health						
Transportation						
Average cost per pupil	\$69.10	\$51.10	\$99.38	\$119.80	\$71.56	\$82.09

\*No transportation to these schools.

In the Suncook Grammar School instruction in music is given daily in all the grades. While in the five one-room schools with a total average membership of 84 pupils there is little or no organized instruction in this subject. It is to be hoped that the time is not far distant when a trained supervisor of music may be employed to give instruction and to assist the teachers in all the schools.

The average cost per pupil for instruction only in the public high schools of the state for the year ending in June 1938, was \$79.17. This is the legal rate of tuition now paid Pembroke Academy, where you have one hundred Pembroke pupils enrolled. The actual per pupil cost of instruction in Pembroke Academy was \$87.36.

### Special Activities

Among teams from six towns Pembroke won second position in the annual spelling contest held at Raymond. Pembroke was represented by Gladys Smith from Grade VIII, Mary Elizabeth Farnum, Grade VI, and Ruth Ann

Bulfinch, Grade IV. The team score was 292 out of a possible 300.

In connection with the May operetta, held at the Grammar School, the free-hand drawings made and displayed by the pupils of the several grades were of unusual merit and evoked the interest of school officials from the state department and from several neighboring town.

The proceeds of the operetta were applied to a "field trip" on which the Eighth Grade pupils of the several Pembroke Schools enjoyed a personally conducted tour of Bostn and vicinity.

A class of twenty-seven pupils was graduated from the Eighth Grade in June. In the Stanford Achievement Test, given as the final examination, the class attained a median score of 95 compared with a median of 94 for the one hundred ten grammar school graduates in the Union.

Through the generous cooperation of your churches and other organizations and assistance from town officials and other individuals, thirty children from two to five years old have continued to receive physical care and kindergarten instructin in the Suncook Nursery School. The federal government, through its educational office of the Works Progress Administration, has paid all salaries of the head teacher, assistant teacher, resident full-time nurse and part-time workers from the NYA classes. The federal government has also purchased fifty per cent of the food. Rent, fuel, lights, kitchen and class supplies, and half the food have been supplied locally. The local share of the cost averages a little more than \$40 a month, or 8 cents per child a day.

This year Mrs. Anne Angwin replaced Miss Helen G. Carpenter as head teacher of the Nursery School. Miss Una G. Dearborn, a graduate of Keene Normal School and formerly teacher in Pittsfield, Concord, and Keene, is the assistant teacher. Mrs. Elizabeth G. Warren, R.N., has been retained and has done very valuable work as nurse and dietitian.

A thoroughly interested group of women under the instruction of Miss Isabelle Barnette has made pratical the continuance of adult classes in sewing and weaving. A large class in cooking now meets on one evening a

week. This is enjoyed by a group of younger women who did not have opportunity for such instruction while attending school.

The purchase by Pembroke in conjunction with the other districts of this Union of a Keystone motion picture projector and "daylight" screen for use in their schools makes available a wealth of subjects best presented through visual education. Free films representing history, geography, and science are loaned by the State Board of Education. Over a thousand other films, including literature and the latest literature and the latest in travel and invention are procurable for a small rental fee. The equipment is so simple that it may be operated by the teacher or an older pupil.

### **Buildings and Equipment**

The gale of September twenty-first made necessary the reshingling of the North Pembroke School. Other damage was confined to the loss of glass and window sash in several school buildings.

During the summer particular attention was given to the Borough School. The interior was repainted, the two outside doors replaced, and a new "Monitor" stove installed.

A new book and supply cabinet was built by Mr. Blaisdell for the Buck Street School. Mr Hill's classes in manual training have made the sandtable used in this school.

A Singer sewing machine of the portable, electric type has been purchased for the sewing classes of the Suncook Grammar School. New kindergarten chairs have been placed in the primary room.

Upon the timely recommendation of your Fire Chief, Mr. Chester T. Robinson, fire extinguisher have been installed in the basement and on both floors of the Suncook School. In the near future provision should be made to fire-proof the boiler room and to install throughout the building an automatic fire alarm system that may serve for firedrill signal within the building and also operate an outside alarm when the building is unoccupied.

Heating conditions in the Pembroke Street School have been very unsatisfactory. There is little doubt that the excess of illness among the children in this particular school can be partly attributed to this fact. It is recommended that a new oil-burning heater be installed before the opening of school in September. Oil fuel is found desirable where full-time janitor service is not available.

In conclusion the Superintendent wishes to commend the policy of the School Board in making permanent improvements whenever these add to better health and instruction and are obtainable with the funds available.

The per cent. of promotions was increased this year from 97.2 to 98.1. A real reduction in the average number of tardinesses per pupil from 1.2 to .9 and the fact that the number of pupils with perfect attendance advanced from 17 to 25 reflect credit upon pupils, teachers, parents, and transportation drivers.

Respectfully submitted,

GEORGE H. HARMON,  
Superintendent of Schools.

February 21, 1939

## SCHOOL CALENDAR

Pembroke, N. H.

School Year 1938-1939

Adopted by the School Board July 26, 1938

1938

First Period opens Tuesday, September 6,

closes Wednesday, November 23      11 weeks 2 days  
(4 days vacation)

Second Period opens Monday, November 28,

closes Friday, December 23      4 weeks  
(11 days vacation)

1939

Third Period opens Wednesday, January 4,

closes Friday, February 17      6 weeks 3 days  
(9 days vacation)

Fourth Period opens Monday, February 27,

closes Friday, April 21      8 weeks  
(9 days vacation)

Fifth Period opens Monday, May 1,

closes Friday, June 16      7 weeks

No School Days: 1. Columbus Day, Wednesday, Oct. 12.

2. State Teachers Convention, Concord,  
Thursday and Friday, Oct. 20-21.

3. Armistice Day, Friday, Nov. 11.

4. Memorial Day, Tuesday, May 30.

5. Teachers Institutes as provided by  
Law, Chapter 117; Section 37.

The regular hours of school:

Grades I-II      8:30-11:00, a. m.    1:00-3:00, p. m.

Grades III-VIII    8:30-12:00, a. m.    1:00-3:25, p. m.

All principals and teachers to be on duty at 8:15, a. m.

## REPORT OF THE HEADMASTER OF PEMBROKE ACADEMY

To Mr George H. Harmon, Superintendent of Schools,  
Raymond, N. H.

Sir, the following is my first report as Headmaster of  
Pembroke Academy.

### Teaching Staff and Enrollment

With the completion of the new Academy building, the opening day of school, September 27, 1937, found seven teachers and one hundred sixty-seven pupils as compared with five teachers and one hundred twenty pupils the previous year. On November 1, 1938 there were one hundred eighty-one pupils and eight teachers. With the graduation of a small senior class of nineteen in June and an influx of over fifty Freshmen in the Fall (there have been more than sixty in each of the entering classes for the past two years), it looks as if there would be more than two hundred pupils in the Academy next year. Pembroke Academy is approved by the State Board of Education and by the New England College Entrance Certificate Board. For the year 1937-38 the percent of attendance was 95.97, the number of tardinesses per pupil was .83, and there were fourteen pupils who had a Perfect Attendance record (neither absent nor tardy) for the year. The percent of attendance for this year (twenty weeks) has been 96.49, the number of tardinesses .49, while there have been twenty-two pupils with perfect records in attendance. Of the one hundred eighty-one pupils registered sixty-eight are boys and one hundred thirteen are girls. The following pupils had a Perfect Attendance record (neither absent nor tardy) for the year 1937-38. James Anderson, Henry Dowst,

Norman Dupont, Irene Fowler, Phyllis Freeman, Julia Gilman, Gladys Gordon, Romeo Hebert, Leon LaSalle, Stephen Lombard, Roland Martel, Frances MacNamara, Roger Perron, and John Wescott. Distribution by age and grade follows:

Grade		13-14	14-15	15-16	16-17	17-18	18-19	19-20	Total	
									Boys	Girls
IX	Boys		12	5	6	1			24	
	Girls	6	17	9	3	2				37
X	Boys	1	2	7	9	2			21	
	Girls	1	6	15	18	3				33
XI	Boys			3	8	2			13	
	Girls		1	7	14	6	2			30
XII	Boys				1	6	1	1	9	
	Girls			1	2	7	3			13
P.G.	Boys					1			1	
	Girls									
	Boys	1	14	15	24	12	1	1	68	
	Girls	7	24	32	27	18	5			113
Totals		8	38	47	51	30	6	1	181	

### Distribution of Pupils by Curricula

The different subjects and courses offered pupils at the Academy are listed under five separate Curricula headings:—Academic or College Preparatory, Commercial, General, Home Economics, and Industrial Arts or Manual Training. The Commercial curriculum is new and will require two more years to reach its maximum efficiency. Under this curriculum I believe there should be introduced a course in Commercial Law. The department is well equipped with fifteen typewriters and an up-to-date closed cylinder mimeograph with automatic paper feed and a mimeoscope or drawing board. It is hoped that we may acquire an adding machine soon. The Manual Training Department has enrolled seventy five percent of all the boys registered in the school. It is a small shop, well equipped, and is expanding to meet the requirements in Metal Work, Forging, and other branches in this field of endeavour. Some of the projects which the boys have completed for the school are;—an

interior set for the stage, bookcases for Home Rooms, two sewing machine tables and a large combination closet and hanger for the Clothing and Textiles Class. Sixty-four girls are enrolled in the Domestic Arts Curriculum this year. Two new sewing machines were bought and the work was expanded to include classes in Foods and Nutrition, Clothing and Textiles, and The Home, Its Care and Management all in the same year. This work is federally aided under the George Deen Act which requires two visits a year to each home to inspect Home Projects, etc. Our one hundred eighty-one pupils are distributed by curricula as follows:—

Grade	Academic	Commercial	Gen. Economics	Home Manual Training	Total Boys	Girls
IX Boys	2	3	3		16	24
Girls	14	11	3	9		37
X Boys	1	3	1		16	21
Girls	2	25	3	3		33
XI Boys	2	1	8		2	13
Girls	6	13	7	4		30
XII Boys	1		6		2	9
Girls	3	2	6	2		13
P.G. Boys		1				1
Girls						
Total	31	59	37	18	36	68
						113
						181

### Class Organizations

(With the appointment of the Class Advisors in September the classes met and organized as follows:

#### Seniors

President	Henry Dowst
Vice-president	Raymond Follansbee
Secretary	Maxine Cross
Treasurer	Roberta Cross
Advisor	Miss Mildred Harvey

#### Juniors

President	Donald Loso
Vice-president	Theodore Batchelder

Secretary	Lucille Edmonds
Treasurer	Eleanor Richard
Advisor	Mr. John Peterson
<b>Sophomores</b>	
President	George Welch
Vice-president	Blanche LaFond
Secretary	Gladys Gordon
Treasurer	Esther Wright
Advisor	Miss Margaret Newman
<b>Freshmen</b>	
President	Gladys Smith
Vice-president	Leslie Clark
Secretary	Edith Williamson
Treasurer	Marc Brouillette
Advisor	Mr. George Scarponi

### CLASS OF 1938 AND THEIR OCCUPATIONS IN 1939

Pearl Beard, Employed private home, Pittsfield, N. H.  
 Lucille Bouchard, N. Dame Hospital, Manchester, N. H.  
 Webster Bryant, Merrimack County Farmers' Ex.  
 Virginia Chase, At home  
 Teresa Dupont, S. Heart Hospital, Manchester, N. H.  
 Ralph Follansbee At home  
 Clara Freeman, N. H. Memorial Hospital, Concord, N. H.  
 Teresa Gauthier, Office of Suncook Mills  
 Julia Gilman, N. England Baptist Hospital, Boston, Mass.  
 Ruth Hatch, Margaret Pillsbury Hospital, Concord, N. H.  
 Hazel Hiscock, Concord Business College, Concord, N. H.  
 Ruth Kimball, Elliott Hospital, Manchester, N. H.  
 Harry Knox, At home  
 Stephen Lombard At home  
 Gordon MacKenzie, Tilton School for Boys, Tilton, N. H.  
 Marion MacLean, N. H. Mem. Hospital, Concord, N. H.  
 Barbara MacMillan Leslie School, Cambridge, Mass.

Barbara Skinner,	Gordon Theological, Boston, Mass.
Mary Welch,	At home
Natalie Wells,	N. H. Memorial Hospital, Concord, N. H.
Donald Woodward	United States Army

## EXTRA-CURRICULA ACTIVITIES

### Student Activities Association

The important work of this association, which was inaugurated by my predecessor, is to organize the school and class activities for the year and to budget them so that the individual will not be unduly obligated by too great a financial burden. The general plan is for each class to conduct a social dance and for the school to undertake a Carnival and Ball, the School Newspaper, and an Operetta. In addition to these there is the Athletic Association with its basketball and baseball games, and the senior play. The activities are such that the pupils should be interested in them and their support. The system involves an elaborate bookkeeping arrangement as the receipts are credited to the various activities. Class funds are used to defray expenses occurring during the year and especially at Graduation time. Henry Dowst was elected President and Maxine Cross was chosen Treasurer.

## Prize Speaking and Dramatics

Under the able direction of Mrs. Elizabeth Morrill two Prize Speaking Contests, a memory selection and an original essay and oration, are held each year. It has become a happy custom for the winners to represent the Academy at the State contest at the University of New Hampshire in the Spring. In the Memory Contest last year the winners were in order: Jeanne Tebo, Maxine Cross, and Samuel Poor. In the Original Contest held in the Spring the boys winning prizes were Henry Dowst 1st; Malcolm Rossoll 2nd; and Samuel Poor 3rd. For the girls Jeanne Tebo was first, Maxine Cross second, and Dorothea Mindt third. In the Memory Contest for 1939, held February 4, the winners were in order: Pauline Beal, Edith Warren, and Samuel Poor. In commenting on the excellence of the work done by all participants, the chairman of the judges, Mr. Frank Ernest Nedeau, made special mention of the fact that not one of the twelve contestants had to be prompted.

An active interest in Dramatics was created by competition in one-act play writing. Three plays were written and produced in school Assemblies:— “When I Was A Girl” by Barbara Skinner; “The Rileys” by Teresa Dupont; and “English-Americans” by Pauline Beal. In the Spring the senior class presented two one-act plays on June 10;—“The Finger of God” by Percival Wilde, and “A Cup of Tea” by Florence Ryerson. Miss Cournoyer and Mr. Peterson, as well as Mrs. Morrill and Mrs. Harrison have all helped with these productions.

## Music

Our goal in Music is a school chorus, Glee Clubs for girls and boys, and a school orchestra. In as much as most pupils come to us with very little previous train-

ing in music it is going to be a slow process of evolution. A much more satisfactory solution to our problem, it seems to me, would be a combination teacher for the grades and the Academy. Such a teacher would be working with the same pupils from the first grade through the twelfth. Mr. Doe has done some work with the chorus this year, and has organized a mixed Glee Club. An Operetta has been selected and will be rendered Music Week in May. The title of this operetta is "In A Kentucky Garden" and the background of the music is Stephen Foster's work. From my experience a singing school is a happy school, and music has a distinct carry-over value into life.

### Athletics

In basketball and baseball Pembroke Academy has entered teams regularly in the Central New Hampshire Valley League. The boys' team lead the League in basketball last year and this year also. After winning last spring the team was invited to go to the State Tournament at Durham, where they were eliminated by Peterborough High School in the preliminaries. The girls' team has progressed steadily among other teams where the competition has been close and keen. For example, no less than six games this year have been won or lost by one or two points. For those pupils not interested in basketball special gymnasium classes are planned, as well as ping pong and volley ball tournaments. Future plans include track and tennis as well as participation in the Play Days organized in this section of the state.

### Orientation Day

Last spring the seniors were excused for a day and the pupils of the eighth grades interested in coming to the Academy were invited to visit for the day. All pu-

pils were promoted and the program was like that of the opening day of school in the fall. It gave all a chance to arrange their program and to learn something about the courses they were choosing. A special assembly program was arranged and there were nearly seventy five pupils visiting as Freshmen as well as several teachers. Teachers and pupils both considered this a day well spent.

### Graduation and Other Honors

There were thirty pupils who graduated in the Class of 1938. Honor parts were as follows:

Valedictory,	Julia Gilman	Class Prophecy,	Ruth Kimball
Salutatory,	Natalie Wells	Class Will,	Ralph McKay
Class History,	Frances Rogers	Class Oration,	Barbara Skinner

Julia Gilman, who had previously been selected by her classmates and teachers to represent Pembroke Academy in the D.A.R. "Good Citizenship" Contest in the State, was awarded a year's subscription to the Reader's Digest as Valedictorian of her class. Chester Richard was awarded the Warren D. Foss first prize for greatest improvement scholastically between his first and last years. And his brother Walter won the second prize award.

Jeanne Tebo was chosen recently by members of the senior class and faculty to represent the Academy this year in the D.A.R. "Good Citizenship" Contest. At the finals in Concord, N. H. last saturday she was selected state winner to make the pilgrimage to the continental congress of the D.A.R. in Washington, D. C. Miss Tebo, Pembroke Academy, and the local D.A.R. Chapter are all to be congratulated upon this honor.

### Conclusion

I feel that fundamentally Pembroke Academy is building well. Our program is varied and well-balanced. About our only requirement is that pupils be fair and honest with themselves, with each other, and with their

teachers, and that they keep trying. The faculty understands that in addition to the regular program of studies there is important work to be done in character education, in the re-teaching of fundamentals, and in guidance. A varied testing program in English has been established for all pupils, an intelligence test is given to all Freshmen and to newly arrived pupils. A similar program has been worked out for French and Latin. These and the necessary follow-up records are maintained permanently, so that deviations in a pupil's progress can be charted at intervals during his or her training.

Our pupils are distributed according to districts as follows:—Allenstown 27; Epsom 29; Hooksett 22; and Pembroke 103. We welcome criticism from parents and friends, especially when it is constructive. The matter of a "no school" signal presents a difficult problem. In the first place a great many of our pupils could not hear it. Secondly, high school students should be able to attend in weather considered too inclement for younger pupils. Consequently the signal for the grade schools has no meaning for them. The wise thing at present seems to be to ask parents to use discretion in advising children to attend school in stormy weather. And finally, I want to thank you and the Trustees of Pembroke Academy on behalf of the teachers and myself for your cooperation in meeting the problems of our school.

Respectfully yours,

JARVIS T. BEAL,  
Headmaster.

# VITAL STATISTICS

# Births Registered in the Town of Pembroke for the Year Ending December 31, 1938.

Date of Birth 1938	Place of Birth	Name of Child (if any)	Sex and Condition	Name of Father	Maiden Name of Mother	Residence of Parents	Occupation of Father	Birthplace of Father	Birthplace of Mother
